Availability: Out Of Stock

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

The Barron Crusader Safety Shoe gives you function and fashion in the workplace. Made from genuine leather with an anti-static inner sole and microfiber and PU sole, features include reflective piping for added visibility in poorly lit environments or nighttime, bullnose front, double top stitching, suede backing at the inner heel, a steel toe cape with impact protection of 200 joules. The shoe is oil-resistant, slip-resistant, shock-resistant and heat-resistant up to 90 degrees. CE EN ISO20345: 2011 approved safety shoe. Not suitable for wet conditions. NRCS and CE certified.
