Description

Aurum Logo to be on the Left Chest.

The Prime Polycotton Dustcoat is a plain protective workwear item designed to keep your clothes clean while at the workplace. Great to use in labs, and the fabric makes this low maintenance garment breathable, easy to care for, crease-resistant and will retain its radiant colour wash after wash. Made from 190g/m² polycotton twill fabric, with an open neck collar, 4 button closure, angled chest pocket, two slanted bottom pockets, topstitching detail and bar tacks on all stress points and a centre seam on the back panel with a slit opening at the bottom for a more comfortable fit and mobility.
