Description

Introducing our ABS Pen Set, a dynamic addition to your workspace with unique selling points that set it apart. This set not only features a high-quality pen with a reliable black German ink that offers an impressive minimum writing distance of 800 meters but also includes a base with double-sided tape for easy and secure attachment to any counter or surface. The innovation doesn't stop there – the pen is cleverly attached to the base with an expandable coil cord, ensuring it's always within reach. Elevate your writing experience and organization simultaneously with the ABS Pen Set – a perfect blend of functionality and convenience.

PLEASE NOTE: order minimum of 20 units or more
