## **Description**

This Navigator Laptop Trolley Bag is a larger than normal laptop bag with wheels, making it the perfect travel buddy for those busy people who are always on the go. Made from 300D and can fit up to a 17" laptop, the bag has a large main zippered compartment, front zip pocket, an even smaller straight zip pocket for your accessories, fabric carry handles, a plastic telescopic handle that can be tucked away into its little zipped compartment, a bag stand to prevent the bag from falling over and rotatable wheels for easy movement. Available in black
