

Altitude Fresco Plastic Water Bottle - 650ml

Product Code: DW-6811

Availability: Out Of Stock

Weight: 0.00kg

Dimensions: 0.00cm x 0.00cm x 0.00cm

Description

A good quality plastic water bottle is an affordable alternative to single-use plastic water bottles. It's also an opportunity for brand exposure when your logo or message is displayed on the bottle. The finger loop lid design makes for easier carrying and frees up the rest of your hand to carry something else, like a phone or a bag.

- 26 (h)
- 650ml
- BPA free PETG & PP
- not for hot liquids
- not dishwasher and microwave safe
